9. The construction of the long felt Maternity Wards has just now been completed. We hope that the Government will be pleased to equip the same with men and materials at an early date and open it for the use of the public. In this connection, we request that a Lady Medical Officer of the grade of an Assistant Surgeon may kindly be sent for the place.

1) The Senior Surgeon in Mysore has submitted proposals for increasing the establishment of the women's hospital at Davangere, as also for equipping the new buildings with the necessary articles of medicines, instruments, bedding & clothing, furniture &c. Most of the expenditure in this connection has to be borne by the St Board, District Board, St, and the Municipal Council of Davangere. The Dy Commr, District Board St, has, however, officially been requested to secure the consent of the local bodies to meet their quota of the charges. As soon as acceptance of liability is.
